Dear Friends and Partners:

We are very excited to share with you that in 2017, we served more neighbors in need than ever before, and we also greatly increased the amount of fresh produce, milk, eggs, meat and other healthy foods provided. As we continue to make progress on our Bold Goal to ensure that nobody in central Pennsylvania goes hungry, we are especially proud of the volunteers and donors that make our mission possible. More than 80% of our food and funding comes from private donations... from people just like you. Thank you so much for your generous support!
