Oven-Roasted Asparagus
Makes 4 servings

Ingredients:
1. 1 bunch asparagus spears, with thick bottoms trimmed.
2. 3 tablespoons oil (olive, vegetable or canola) or butter.
3. As available: add salt and pepper to taste, parmesan cheese, 1 clove garlic or (1/8 teaspoon garlic powder) or 1 tablespoon lemon juice.

Directions:
1. Preheat oven to 425 degrees F.
2. Toss asparagus in bowl with oil or butter and seasonings.
3. Bake in oven until tender (12-15 minutes).
4. Sprinkle cheese and lemon juice on hand. Enjoy!
