

# SNAP Outreach Program Partnership Opportunities

**SNAP, the Supplemental Nutrition Assistance Program** (formerly, the Food Stamp Program), is a federally-funded program that helps millions of eligible, low-income households and individuals purchase nutritious and healthy food at participating grocery stores and farmers markets.

For every dollar invested, SNAP contributes \$1.73 back to the economy <sup>1</sup>.

In 2017, SNAP spending in Pennsylvania helped lift 340,000 people out of poverty <sup>2</sup>.

Research has shown that receipt of SNAP in early childhood improves high school graduation rates, adult earnings, and adult health <sup>3</sup>.

## Together we make a difference! Come help us grow.

At the Central Pennsylvania Food Bank, our team of experts provide assistance through our bi-lingual **Food Stamps Helpline**. After screening households for potential Food Stamps (SNAP) eligibility, we provide application and enrollment assistance. Please see income guidelines on the reverse side.

### **PLOUGH** *ready the soil*

- Post and distribute Helpline materials on-site
